**Position:** Primary Care Provider  
**Location:** SCC Health Clinic  
**Hours:** Full-time 40 hours per week

**Job Summary:** *The Primary Care Provider will play a vital role in delivering comprehensive and culturally sensitive healthcare services to patients of the Sokaogon Chippewa Health Clinic. The candidate must have a strong commitment to improving health outcomes, and promoting wellness among our patients.*

## Duties/Responsibilities:

- Provide primary care services including diagnosis, treatment and management of acute and chronic conditions.
- Perform routine examinations, preventative care and health education to patients of all ages.
- Develop and implement individualized care plans in collaboration with patients and their families.
- Coordinate with multidisciplinary team members including specialists, nurses and social workers to ensure continuity of care.
- Maintain accurate and timely patient records in accordance with clinic policies and procedures.
- Participate in community outreach and health promotion activities to enhance public health awareness.
- Uphold patient confidentiality and respect cultural sensitivities in all interactions.
- Engage in continuous professional development and training to stay current with medical advancements and best practices.
- Performs other duties as assigned.

## Qualifications:

- Medical degree (MD or DO) or Advanced Practice Provider (NP or PA) with a valid state license to practice **REQUIRED.**
- Board certification in Family Medicine, Internal Medicine or related specialty **PREFERRED.**
- Experience working in a primary care setting; experience with Native American populations **PREFERRED.**
- Strong interpersonal and communication skills.
- Ability to work effectively in a team-oriented environment.
- Commitment to providing culturally competent care.

*Pre-employment/random drug tests and a background check will be required for this position.*

**Native American preference is granted according to PL 93-638**
